Relevant Classes

AP Computer Science A – (High School) Taught me Java and I got a 5, the highest score possible, on the AP exam.

C212 Intro To Software Systems- Usually the second semester class, it covers data structures, algorithms, and software development techniques primarily in Java.

InfoT-101 Luddy Scholars Seminar- Currently working with the dean of Undergraduate Studies to organize Luddy and IU's showcase and livestreams of the Solar Eclipse on April 4, 2024

LLC-Y-101 Tech Leadership And Innovation- This course deals with getting more involved in the tech work and becoming career ready.

Extracurriculars

Sustainability Club – (High School) Founded with my teacher in Lebanon with around 30 members. Led an E-waste drive with the city contributing over \$5000 to fund it.

Fintech Club- Active member focusing on the fusion between tech and finance.

Luddy LLC Member- Got accepted through application process. Active member in different events involving tech.

Cox Scholar- Tied to my work but also a network through which volunteering occurs.
